

We are extremely pleased and proud of TBS Chandigarh achievements this year. A special thank you to TBS Chandigarh Principal/Teachers for encouraging, supporting and keeping our daughter Gungun 'on target' throughout the year. Our daughter Gungun has enjoyed every aspect of school life and we really appreciate all the effort, love and interest given by each member of the 'TBS CHANDIGARH'.

Words cannot express how fantastic Gungun's time has been at The British School, Chandigarh. She received the best start to her education and may the passion for learning you have given her stay throughout her school years and beyond.

Just would like to say thanks to all of the staff that have been involved with Gungun as each one of you have improved our daughter in many ways and we have noticed it.

I'm incredibly pleased with Gungun's progression this year, not only in her academic studies but also with her confidence.
